

MOHAMMED RAMZEED M M

Play Experience Designer

Kerala, India • mohammed_r@nid.edu • +91 73569 94875 • [Portfolio](#)

EDUCATION

National Institute of Design

Ahmedabad, India

Master of Design, Toy & Game Design. CGPA 7.5/10

Expected 2028

- Relevant Coursework: Toy Design, Game Design, Play & Child Development, Prototyping & Model Making, Interaction Design, Design Research

TKM College of Engineering

Kollam, India

Bachelor of Technology, Mechanical Engineering (Honours). CGPA 9.5/10

2018 – 2022

- **Honours:** Ranked among the **top 20** students of the college. Merit-cum-Means Scholarship
- Relevant Coursework: Design of Machine Elements, Kinematics of Machinery, Manufacturing Technology, Engineering Graphics, Materials Science

EXPERIENCE

Product Design Intern

New Delhi, India

Smartivity Labs

Oct 2025 – Apr 2026

- **Led the end-to-end** design of **3 original toys**, from **user research** and **ideation** through **prototyping** and **testing**, with **2 approved for sale**.
- **Collaborated** with the design team across the product range on brainstorming, ideation, prototyping and play-testing
- **Introduced** an **AI-assisted workflow** for concept sketches and videos, helping test participants grasp ideas quickly and speeding up user testing. The approach was later **adopted by fellow designers**.
- **Ideated** a wide range of play concepts for the product pipeline, including a mechanism retained for use in future products

Toy Designer

Ahmedabad, India

Gulab Tribe (Industry Collaboration with NID)

Apr 2024 (6 weeks)

- **Developed** toy concepts for an industry partner in a 6-week project. **5** were shortlisted for development.
- **Designed** and **prototyped** 2 of the shortlisted toys, which were exhibited at **ToyBiz 2024**

Subject Matter Expert, Mathematics

Remote

Chegg

Mar 2022 – Apr 2023

- **Guided 500+** school and university students through problems in calculus, vector calculus and probability
- Delivered clear, step-by-step explanations adapted to each learner's level

LEADERSHIP & ACTIVITIES

Member, Steering & Suspension Department

2019 – 2020

XLR8 Student Racing Team, Formula Bharat

- Worked on the steering and suspension systems of a student-built race car for the national Formula Bharat competition. Team secured first rank in state.

Skills

Design: Play Experience Design, Toy & Game design, Design Research, Ideation, Sketching & Rendering, Play-testing.

Prototyping: Rapid prototyping (physical & digital), Model making, Mechanism Design, Arduino & Electronics, 3D printing.

Technical: Fusion, SolidWorks, Rhino, Blender, Unity, Adobe Creative Suite, Figma, Python, HTML/CSS/JavaScript.
